EXCITING ANNOUNCEMENT!

We have exciting news! We have stepped out in faith again, trusting in God, and are adding 3 more children in January '24. We can't wait for Joel, Lem and Ashley to join us in January next year for the start of school. When we started the fundraising campaign to fully sponsor our current children and add the 3 new ones, we needed 58 sponsors at only $35/month. I am happy to tell you that we now only need 34 sponsors to meet our goal and help more dreams come true. This allows us to start thinking about adding more children which is great news!! Gloria a Dios!!

A WORD FROM THE BOARD

Teams are back, and we hope you will join them! Whether you are considering your first trip or have been before, and have "family" at El Ayudante, we look forward to seeing you soon.

We have had 9 mission teams this year and 4 more are scheduled in the last quarter. We are all very excited about what God is doing at EA! We already have 9 teams planned for next year, with a team every week in June. Don't worry though, there are still plenty of open dates, and we can typically host multiple teams. Our goal is to get back to the 30+ teams a year we had before the pandemic.

Teams are such a blessing! ,They bring HOPE, not only to our kids, but the community, and especially our local staff. The campus comes alive with laughter and there are smiles on faces both young and old. Over the past few years, we have developed a few new programs to increase the impact in the communities. We are excited to now offer 3 new sustainable ministries: Fruit Trees, Baby Piglets, and Baby Chicks. These opportunities are in addition to other programs providing Water Filters, Blessing Food Bags & Hygiene kits, and construction. I can't leave out the kids at vacation bible school, devotion time, prayer, dinner with an amazing view at the beach and last but not least, the amazing food and coffee at the team house.

We hope you will consider bringing a team to El Ayudante in 2024! If you have questions or want to schedule a call to discuss, please reply to info@eanicaragua.com.
