Talking Points

For church and community presentations. All wording comes from eanicaragua.com.

WHO WE ARE

- El Ayudante means "The Helper." We are a Christian organization serving children, families, and communities in León, Nicaragua.
- For more than 25 years we have walked alongside Nicaraguans, not as rescuers, but as partners in the work God is already doing.
- Our motto: One Child. One Family. One Community at a time.

WHAT WE DO

- **Child sponsorship:** from $35 a month, a child receives education, nutrition, healthcare, and spiritual mentorship, and you gain a lifelong connection.
- **Mission teams:** churches, families, and groups serve alongside local leaders in construction, medical clinics, VBS, and more. A typical week runs about $1,000 per person, not including airfare.
- **Projects:** safe homes, clean water filters, egg-laying chickens, fruit orchards, school feeding, higher education scholarships, and dignified sanitation.
- **Healthcare, leadership, and community development** that equip local people to lead.

RESULTS

- 84% of our students graduate high school. 21 young people are the first in their families to earn a diploma.
- The HCN provides 34 children and young adults with daily meals, tutoring, counseling, and school supplies.

A STORY TO TELL

> *"I want to be a nurse." Chilo told us this as a teenager. Today she works as a nurse at a local clinic. From hungry to hired: proof of what happens when a community comes alongside a child and doesn't let go.*

THE EL AYUDANTE WAY

The Helper does not replace. The Helper walks beside. We come alongside people as faithful partners who encourage, equip, and walk with others while trusting God for lasting

transformation.

> *"And I will ask the Father, and He will give you another Helper, to be with you forever." John 14:16*
